

Solaris 10 Update 4 and Aleph 21/22

- **Article Type:** Q&A
 - **Product:** Aleph
 - **Product Version:** 22
-

Question

Can Aleph 21 or 22 be installed on machine with Solaris 10 Update 4?

Answer

No, according to "Requirements for Aleph Installation"-document both Aleph 21 and 22 only support Solaris 10 Update 6 (or later).
