

Renewing journal titles for 2008

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 17.01
-

Description:

How do you renew journals for 2008. Not sure how we get the system to predict the 2008 issues? please provide steps

Resolution:

The subscription for this journal has an end date of 12/31/06; the system won't predict issues beyond this date, so you need to set the end date to some time further in the future.
