
Title Request" checkbox on Create Hold Request screen not checked

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Description:

In GUI Circ, the "Title Request" checkbox on the "Create Hold Request" screen comes up as unchecked. How can we make it, by default, be checked?

Resolution:

This is controlled by CreateTypeTitle parameter in the pc \CIRC\tab\circ.ini file:

```
[Hold]
```

```
CreateTypeTitle=Y
```

See Powerpoint attached to KB 7212 in regard to creation of Title hold requests.
