
tab44: days on hold shelf not working?

- **Article Type:** Q&A
 - **Product:** Aleph
 - **Product Version:** 21
-

Question

- * In the System Librarian's Guide (Aleph 21) - Circulation-11.5. Hold Shelf is stated "Also note that the amount of time that is defined in tab44 is net time, not counting the pickup location's closing day"
 - * Can this behavior be changed?
-

Answer

- * No, it's not possible to change it. This is how Aleph works.
-

Additional Information

- * This information is also present in the header of ./xxx50/tab/tab44:
"The amount of time set in this table is net time, i.e. not including days on which the library is closed"

Category: Circulation (500)

Subject: Hold requests (500)
