
Deleted records retrieved by Web OPAC number search

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 15.2
-

Description:

System # 133636 was deleted on July 16th (Monday), and it's still showing up in the Web OPAC (as a blank record).

The search is:

http://...?func=find-c&CCL_TERM=SYS%3D%28133636%29

Resolution:

A system number search **always** retrieves the record, regardless of whether it is deleted or not.
