

Does Circjob 39 retain historical fines?

- **Product:** Voyager
 - **Product Version:** 6.5.3
-

Question

Does Circjob 39 retain historical fines if the Allow Deletion of Patron With Historical Fines is checked in Sysadmin > Circulation > Miscellaneous?

Answer

The data in the fine_fee table for the patron will be removed (i.e. the fine information for that patron will no longer be in the system).

Additional Information

There is a log, patron.purge.historicalfines.yyymmddhhmm, that tracks which patrons with fines were deleted.
