### Desired Outcome Goal:

\* If a book is overdue a student must be able to renew it online.

### Procedure:

- \* Edit ./xxx50/tab/tab\_block\_circ
- \* This table is used to determine the values for checks 9a and 9b in tab\_check\_circ.  
9a is for check at the ADM level and/or  
9b is for check at the sublibrary level.
- \* Col.4 of tab\_block\_circ defines the maximum number of overdue loans
- \* To set 1 overdue do not block a renew, you would specify a value greater than "01" in this column.
- \* Edit ./xxx50/tab/tab\_check\_circ
- \* Check that check\_circ\_9\_a and/or check\_circ\_9\_b are specified for the RENEW-WWW label  
RENEW-WWW check\_circ\_9\_a  
RENEW-WWW check\_circ\_9\_b
- \* Restart the PC Server and WWW Server.
