

## How do we implement Web Self-Check?

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 19.01
- 

**Description:**

How do we implement Web Self-Check?

**Resolution:**

There's an "Aleph 500 Web Self-Check" doc on the Doc Portal, in the "How To -- Web OPAC" directory.

Note that Web Self-Check is a for-cost function, requiring an update to the license file.
