

## Shipped items are receiving the incorrect due date

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 19.01
- 

### Description:

#### Problem Description:

Shipped items are receiving the incorrect due date.

#### Actual Results:

When an item with a shorter loan period is shipped in ILL after an item with a longer loan period has already been shipped, and the PC server has not been restarted, the longer due date is applied

#### Expected Results:

When an item with a shorter loan period is shipped in ILL after an item with a longer loan period has already been shipped, and the PC server has not been restarted, the correct due date should be applied

#### Resolution:

Customer confirmed no longer occurs in version 20.
