

Title request, patrons' order and hold request letters/slip

- **Article Type:** General
- **Product:** Aleph
- **Product Version:** 18.01

Description:

18 ver. production.

Send book to Joanna or Gary? Why hold request slip is printed for Joanna if Gary is the first with on hold status?

In the attachment 'CLICS- Joanna Cross' (from ho_pick_Nov6-2008) the hold request is for Joanna Cross (why??) but in GUI states it is on hold at BB for Gary.
