## p\_cir\_10: no item status 01 in drop-down box

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 18.01
- 

### Description:

We would like to send staff notices for item statuses 01 and 28 only but the item status of 01 does not show up in our item statuses drop-down box. How come it's not there?

### Resolution:

There are two lines in the abc50 tab15.eng for "01 ## ..." :

```
BCGR2 01 ## L Place a Request Y Y C Y Y Y N Y Y 00 N
```

...

```
BCGR1 01 ## L Y Y Y N Y N N Y Y 00 N
```

The first is indistinguishable from the 3 other occurrences of "Place a Request":

```
BCGR2 21 ## L Place a Request Y Y C Y Y Y N Y Y 00 N
```

```
BCGR2 23 ## L Place a Request Y N C Y Y Y N Y Y 00 N
```

```
BCGR2 13 ## L Place a Request Y Y C Y Y Y N Y Y 00 N
```

```
BCGR2 01 ## L Place a Request Y Y C Y Y Y N Y Y 00 N
```

Though the submission screen will include just the item status number when there is no line with text in column 5, such as:

```
BCGR1 14 ## L N N N N Y N Y N N 00 N
```

```
BCGR3 28 ## L Y Y Y N Y Y Y Y 00 N
```

in the case of "01" there *is* a line with text ("Place a Request").

I suggest that you do both of the following....

### Change:

```
BCGR2 01 ## L Place a Request Y Y C Y Y Y N Y Y 00 N
```

to:

```
BCGR2 01 ## L Place a Request 01 Y Y C Y Y Y N Y Y 00 N
```

and add text to column 4 for this line:

```
BCGR1 01 ## L Y Y Y N Y N N Y Y 00 N
```
