
Delete LOAN/HOLD in OPAC

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Desired Outcome Goal:

How can the link from the full view in the OPAC to the list of items be removed?

Procedure:

1. Go to `./xxx01/tab/edit_doc_999.lng` and search for the line defining the link to items. For example:

```
## ITM1 D LStock ITM1 Y E
```

2. Comment this line out:

```
!## ITM1 D LStock ITM1 Y E
```

3. Restart the WWW server (util w/3/1).
