### Question

Which directories are required for EDI incoming records?

---

### Answer

These are the directories that should be available for incoming EDI records under xxx50 (ADM library):

xxx50/edi/in/edi\_incoming  
xxx50/edi/in/ edi\_processed  
xxx50/edi/in/edi\_rejected  
xxx50/edi/in/xml\_incoming  
xxx50/edi/in/xml\_processed

**Category:** Background processing (500)

**Subject:** Batch (500)
