## Update Item Status: Unable to update. Item is in circulation." Why?"

- **Article Type:** General
  - **Product:** Voyager
- 

### Description:

\* Update Item Status in Pick and Scan is "Unable to update. Item is in circulation" when try to add Media Type to item.

### Resolution:

Item is currently In Transit.

1. Log into Circulation Happening Location in item's policy group.
2. Discharge item.

This will remove In Transit status from item; can then add Media Type to item.
