
cir-11 Outstanding Hold Requests: "End-request-date"

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Desired Outcome Goal:

"Outstanding Hold Requests Report" column "End Request Date" is changed to "Request Date" (the date the request was initiated).

Procedure:

1. Change the following two lines in the `./form_eng/outstanding-loan-requests-00.xml` and/or `./outstanding-loan-requests-01.xml` forms from:

```
<xsl:with-param name="label" select="End Request Date"/>  
<xsl:with-param name="value" select="./z37-end-request-date"/>
```

to:

```
<xsl:with-param name="label" select="Request Date"/>  
<xsl:with-param name="value" select="./z37-request-date"/>
```

2. Do util i/6 to recreate the `html.pck` file (with the new `outstanding-loan-requests-0n.xml` file included).
3. Reconnect to the server with GUI Circ.
