### Question

Is there an SFX search widget available to embed in our website?

---

### Answer

There are 2 options to embed SFX search in a library website :

1) Search form for e-Journals : A-Z list search box

\* documented in: /DocumentationCenter/Ex Libris Documentation/SFX/Technical Documentation/Version 4.0/Staff User Information/General Users Guide.pdf -> Chapter: "Configuring the A-Z List" -> section : "Journal Quick Search"

2) Search form for Articles: Citation Linker

\* documented in: /DocumentationCenter/Ex Libris Documentation/SFX/Technical Documentation/Version 4.0/Staff User Information/Advanced Users Guide.pdf -> Chapter "Incorporating the CitationLinker in Existing Web Pages"
