

PDS version

- **Article Type:** General
 - **Product:** DigiTool
 - **Product Version:** 3
-

Description:

ver command displays wrong PDS version.

Resolution:

Actual PDS version can be retrieved using the following command:

```
cat $dtl_dev/pds/version.properties
```

ver is expected to be fixed in 3.4.1.

NOTE: Both ver and workaround assume PDS is running locally.

Additional Information

PDS, version
