## Reload Repository Configuration" job fails to reload i18n files

- **Article Type:** General
  - **Product:** DigiTool
  - **Product Version:** 3
- 

### Description:

Reload Repository Configuration" job fails to reload files under \$jdtlh/system/conf/i18n (messages\*.properties, dynamic\_messages\*.properties)

### Resolution:

Workaround - restart JBoss.

Expected fix in 3.4.1.

---

## Additional Information

Reload Repository Configuration, i18n, messages.properties
