

Check whether Oracle for Voyager is in archive mode

- **Article Type:** General
 - **Product:** Voyager
 - **Product Version:** 7
-

Desired Outcome Goal:

To know whether Oracle for Voyager is in archive mode

Procedure:

1. Log in as Oracle user.
2. Run the following sql commands:

```
sqlplus '/ as sysdba'
```

```
SQL> archive log list
```

3. Check the output from step 2.

The example below shows archive mode enabled.

```
SQL> archive log list
Database log mode Archive Mode
Automatic archival Enabled
Archive destination /oracle/oradata/VGER/arch
Oldest online log sequence 12377
Next log sequence to archive 12379
Current log sequence 12379
```
