

Incorrect links in the Help menu

- **Article Type:** General
 - **Product:** Verde
 - **Product Version:** 2
-

Description:

The Help menu: Search e-Products link goes to the About page instead of the Search page.

Scenario:

1. Select the Help link from the KB Manager > Managing: e-Products Search page.
2. On this page, select the Search e-Products link. This link should go to http://server:port/verde/resource/help/Searching_e-Products.htm, but instead it goes to http://server:port/verde/resource/help/about_verde.htm.
