

How to delete an SFX institute?

- **Article Type:** General
 - **Product:** SFX
 - **Product Version:** 4
-

Desired Outcome Goal:

Deleting all institute-related configurations defined in SFX Admin's KB Manager

Procedure:

- 1) In KB Manager, click on "Institutes" link.
- 2) Click the "D" button next to the Institute to be deleted
- 3) A pop-up window will appear with the warning:
"Removing this institute/group will also remove any customization related to it regarding targets, target services, authentication, and object portfolios. Are you sure you want to delete?"
- 4) Click "OK" in the pop-up window.
