
Paper size in photocopy request filled form

- **Article Type:** Q&A
 - **Product:** Aleph
 - **Product Version:** 21
-

Question

Where do the entries in the drop-down list for the field 'Paper size' in the 'Print Letter - Hold Request filled' window come from?

Answer

The entries are taken from the section PAGE-SIZE in xxx50/tab/pc_tab_exp_field.lng.

Additional Information

Up to Aleph 20, the format A4 is hardcoded in the program. It is not configurable.
