## What Does UPDATE-RECALL-DATE Do?

- **Article Type:** Q&A
  - **Product:** Aleph
  - **Product Version:** 21
- 

---

### Question

What does the xxx50/tab/tab100 UPDATE-RECALL-DATE parameter do?

---

### Answer

Note: These scenarios apply to items with multiple holds. See Additional Information section for sample results

Scenario A: xxx50/tab/tab100 UPDATE-RECALL-DATE = Y

- \* Recall is placed AT THE TIME OF LOAN
- \* Recall Due Date and Recall Date are entered
- \* Due Date is a shortened loaned Due Date (due to existing holds/requests)
- \* When Recall Items on Loan (cir-13) is run, it detects that the loan already has a Recall Due Date and Recall Date, so no additional recall is made and the Due Date is not changed

Scenario B: xxx50/tab/tab100 UPDATE-RECALL-DATE = N

- \* Recall is NOT placed AT THE TIME OF LOAN
  - \* Recall Due Date and Recall Date fields are blank
  - \* Due Date is a shortened loaned Due Date (due to existing holds/requests)
  - \* When cir-13 is run, it detects that the loan does NOT have a Recall Due Date and Recall Date, so a recall is made and the Due Date may be shortened further to the NEW Recall Due Date
- 

### Additional Information

\* Sample Results from Scenario A: UPDATE-RECALL-DATE = Y

Immediate Recall at time of Loan

effective due date = 11/Dec/2009

Output:

Loan Type Hold Request Loan

Loan Time 04/Dec/2009 16:35

Due Time 11/Dec/2009 23:59

Original Due Date 11/Dec/2009

Loan Librarian TCIRC

Recall Due Date 11/Dec/2009

Recall Date 04/Dec/2009

Number of Renewals 0 (out of 6). No limit on latest due date.

Running cir-13 after the above would not change the due date.

Sample Results from Scenario B: UPDATE-RECALL-DATE = N  
cir-13 Recall / not immediate / no recall at time of loan  
Before cir-13 is run  
Loan Type Hold Request Loan  
Loan Time 04/Dec/2009 16:48  
Due Time 11/Dec/2009 23:59  
Original Due Date 11/Dec/2009  
Loan Librarian TCIRC  
Recall Due Date [BLANK]  
Recall Date [BLANK]  
Number of Renewals 0 (out of 6). No limit on latest due date.  
effective due date = 11/Dec/2009 (Shortened Loan Due Date)

After cir-13 is run  
Loan Type Hold Request Loan  
Loan Time 04/Dec/2009 16:35  
Due Time 11/Dec/2009 23:59  
Original Due Date 11/Dec/2009  
Loan Librarian TCIRC  
Recall Due Date 07/Dec/2009  
Recall Date 04/Dec/2009  
Number of Renewals 0 (out of 6). No limit on latest due date.  
effective due date = 07/Dec/2009 (New Recall Due Date)
