
Tab 17 does not allow definition of closing hours after midnight

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 18.01
-

Description:

In v.18, an enhancement to tab17 is supposed to allow closing hours after midnight (i.e. 2600). We are unable to enter a closing hour of anything later than 2359 in the closing hour column. We can get a closing hour later than 2359 by using the new Library Open Hours Management Interface, but we also would like to be able to enter a closing hour later than 2359 from within tab17 itself.
