## April 2007 Oracle critical patch

- **Article Type:** General
- **Product:** Aleph
- **Product Version:** 17.01

---

### Description:

We have received a notice that the April 2007 Oracle critical patch is available. We need to know if it is safe to go ahead and apply this patch.

### Resolution:

An email describing the availability of the patch was sent (from Greg Gosselin) to [ELUNA-ALEPH-SYSADMIN-IG-L@listserv.nd.edu](mailto:ELUNA-ALEPH-SYSADMIN-IG-L@listserv.nd.edu) on April 30, 2007.
