## Declared Lost z35-event-type 65

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 17.01
- 

### Description:

Is the z35\_event\_type 65 "declared lost" created only when a loan is declared lost in the GUI? Or is it also created when notices (p\_cir\_51) runs and sets an item to LOST?

### Resolution:

The z35-event-type 65 "declared lost" is created only when a loan is declared lost in the GUI.  
No events are created by running p-cir-51 notices " even when it results in an item being set to LOST.
