

MetaLib Monitoring Tool - Util S/4

- **Article Type:** General
 - **Product:** MetaLib
 - **Product Version:** 4
-

Description:

New MetaLib Monitoring Tool (Util-S-4) available in SP 123

Resolution:

The Monitoring Tool utility can be set up to run automatically as a cron job.

Add the following to your cron table to run an hour or two after util_x_9

For example:

Run util_s_04_02.cron every day at 5 am:

```
0 5 * * * /exlibris/metalib/m4_1/aleph/proc/util_s_04_02.cron
```

For further details, refer to the attached document "MetaLib Monitoring Tool - 4.0x"

Additional Information

MetaLib Monitoring Tool, Util S 4
