## How to re-publish already published records

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 20 and up
- 

### Description

Re-publishing of older records which are already published (Z00P record exists)

### Resolution

1. For a specific range of system numbers
- OR
2. For ALL published records

- a. Stop ue\_21 (Ongoing publishing)
- b. Delete ALEPH Published Records (publish-05) for deletion of existing Z00p records
- c. Initial Publishing Process (publish-04) for creation of new Z00p records
- d. Create Tar File for ALEPH Published Records (publish-06) for creation of a tar file to send to e.g. Primo
- e. Start ue\_21 daemon

---

### Additional Information

From version 23 on it's also possible to run the services for an input file like a list of system numbers
