

Change "Photocopy Request" wording in Circulation module

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Description:

We would like to change the wording of a menu item in the Circulation module - specifically, in the "Requests" drop-down menu, we would like to change all instances of "Photocopy Request" to be "PDF Scan Request".

Is this possible?

Resolution:

The files containing the "Photocopy" references are the pc files `.\Circ\tab\eng>window.dat` and `.\menu.dat`.

You can change the values in column 2 (the "Data" column) to whatever you like.

And then restart the Circ client.
