
Open Annual Budget acq-05 not working!

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 18.01
-

Description:

We are trying to open our new financial year and the first step has failed - acq_05. The new annual budgets for 2007 are not being created.

Resolution:

Removing the old version of the p_acq_05.xml file from alephe/pc_b_eng and restarting the pc server has solved the problem.

Additional Information

acq_05 new budgets financial year pc_b_eng
