
Report output (cash_02, format 02) contains blank lines

- **Article Type:** General
- **Product:** Aleph
- **Product Version:** 19.01

Description:

Problem Description:Report output (cash_02, format 02) contains blank lines

Actual Results:Patron ID, Patron Name are on one line, followed by one or more blank lines and then Patron balance is on its own line

Expected Results:Patron ID, Patron Name, Patron balance would be output on the same line

Resolution:

Fixed in v. 20 - rc #3665
