## Error on renewing items: "No matching line found in tab15".

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 17.01
- 

### Description:

We are receiving an error on renewing items: "No matching line found in tab15".

### Resolution:

Error messages relating to items ("tab15"; "for this loan") quite often indicate that indicate that the LOAN-GBL (or RENEW-GBL or RENEW-W-G) section of `./xxx50/tab/tab_check_circ` contains `check_circ` types which are reserved for items only. Specifically: `check_circ_7_a`, `check_circ_7_b`, `check_circ_8_a`, and `check_circ_8_b`. These types should *\*not\** be specified for LOAN-GBL or RENEW-GBL or RENEW-W-G.
