

Implementing Self Registration

- **Article Type:** General
 - **Product:** MetaLib
 - **Product Version:** 3
-

Description:

We set the self_reg flag to "Y" in ML 3.13 but no change has taken place in the PDS login screen. Is there anything else that should be changed?

Resolution:

See attached document for detailed instructions on implementing Self-Registration in MetaLib Version 3.13.

Additional Information

Self-registration,login,PDS,authentication
