
PLIF error: L-ERROR-CODE 00

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 17.01
-

Description:

The p_file_20 log contains numerous occurrences of an "L-ERROR-CODE 00" message. What does this mean?

Resolution:

This message has been put into the program for diagnostic purposes. It can be ignored.

Presumably it will be removed in some future version of the program.
