

A-tree files not updated by Minor Release 20.2 - RC3030

- **Article Type:** General
- **Product:** Aleph
- **Product Version:** 20

Description:

For rep_change 3030, the web files bor-acq-body and bor-acq-exp-data were not updated by the service pack/minor release mechanism as is routinely the case. The third file in the implementation notes, bor-acq-head, was updated. The relevant directory is:

/exlibris/aleph/a20_1/alephe/www_f_eng

Resolution:

You can use the implementation notes for instructions to update the 2 files. Here is what the updated default versions should be:
