
Oracle Data Pump error: Z91_ID1

- **Article Type:** General
 - **Product:** Aleph
-

Description:

We exported Oracle data using Oracle Data Pump and have received the following error in the log:

```
ORA-39127: unexpected error from call to local_str :=  
SYS.DBMS_EXPORT_EXTENSION.GET_DOMAIN_INDEX_METADATA('Z91_ID1','ABC01','TEXTINDEXMETHODS','CTXSYS',10
```

Please advise.

Resolution:

Please proceed with the import, and recreate z91_id1 using util a/17/2 after the import.

Additional Information

Oracle Data Pump ORA-39127 unexpected error from call to local_str
