

Changing Order of Docs in Course Reserve

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 16.02
-

Description:

Is it possible to reverse the order of the display when adding new records in the Course Reserve Staff function?

Now, when you add or catalog/add a record to someone's course reserve, it goes to the bottom of the list and some libraries would like this new item at the top.

Resolution:

It's using the system number here. Changing this would be an enhancement request.
