Description:

How can I subscribe to the ELUNA ALEPH500 listserv's (such the Global Aleph Users Discussion list, the ELUNA SysAdmin list, or the module-specific lists)?

Resolution:

The Aleph Mailing Lists are shown at: <http://el-una.org/mailling-lists/aleph-mailling-lists/#alephna> .

To subscribe to a list, select the link for the list you are interested in. Each of the links has subscription instructions for that particular list.

For example, if you select the Aleph500-DISCUSS-L link, you are taken to: <https://listserv.nd.edu/cgi-bin/wa?A0=ALEPH500-DISCUSS-L> , where

there's a "Join or Leave ALEPH500-DISCUSS-L" link at: <https://listserv.nd.edu/cgi-bin/wa?SUBED1=ALEPH500-DISCUSS-L&A=1> .
