
Find out how a POL was created

- **Article Type:** Q&A
 - **Product:** Alma
-

Question

How can I determine how a POL was created (i.e. from an import profile with an EOD file or manually by a user)?

Answer

- 1) Click the plus sign in the “Additional” section of the POL
-----A new section will open up
-----It includes other fields
 - 2) Select the “Source Type” and “Last updated by”
-

Additional Information

See attached screenshot.
