Description:

If you don't find objects in the RD by using search terms from the full text, please verify and do the following:

In /exlibris/dtl/u3_1/gen01/tab/tab100

confirm you have

INDEX-MODE=S

(if =C change to =S).

Then restart util e (util e/2; util e/1).

Then run util f/1/19/A (=reindex the silo).
