
When activating few institutes, the SFX admin login page suddenly appears.

- **Article Type:** General
- **Product:** SFX
- **Product Version:** 4

Description:

A problem has been found in the KB Manager when more than one institute is configured.

When indeed that is the case and a certain target is activated for several institutes ("Add an Institute Entry to this Target") the SFX admin login page appears.

The login page can appear right away or after several institutes are activated.
