

## Restart of client does not prompt Version Check.

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 18.01
- 

### Description:

[From ALEPH-NA:] My re-start of the client did not prompt Version Check. I had to manually force it from the client.

### Resolution:

[From Christine Moulen, MIT:] Version check only checks once a day. If you already had your client open, and restarted it, it won't automatically pick up new files until tomorrow.
