Description:

Can the values in the dropdown box of "Discard / Binding" be altered?

Resolution:

These are the xxx50 pc_tab_exp_field.eng BIND-DISCARD-TYPE lines.

From the xxx50 tab_binding header: "This identifier is entered in the Discard/Binding field of the subscription form.... The dropdown list of values for the subscription form is set in the BIND-DISCARD-TYPE menu of the library's pc_tab_exp_field.<lng> configuration table."
