

## Limiting the number of photocopy requests per patron

- **Article Type:** Q&A
  - **Product:** Aleph
  - **Product Version:** 20
- 

### Question

Is it possible to limit the number of photocopy requests per patron in a fashion similar to the limitation of Hold and Booking requests in tab16, columns 13 and 26?

---

### Answer

No. There is no parameter in either v20 or v21 for limiting the number of photocopy requests.

This would be an enhancement request.

**Category:** Circulation (500)

**Subject:** Photocopies
