

## Huge pc\_ser\_6991.nnnnn files

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 20, 21, 22, 23
- 

**Description:**

You have about 17 gig of \$LOGDIR/pc\_ser\_6991.nnnnn files. (See below.)

**Resolution:**

Per KB 3966, you don't need these. We suggest changing the \$alephe\_root/pc\_server\_defaults

```
setenv pc_transactions_log Y
```

to:

```
setenv pc_transactions_log N
```
