

spaces or special characters in institute name.

- **Article Type:** General
 - **Product:** SFX
 - **Product Version:** 4
-

Description:

SFX 4 Documentation (SFX Advanced User's Guide, page 179) says "Do not use spaces or special characters such as !?';" when choosing the institute name." Yet, SFX doesn't prevent users from creating institutes with these characters.

Resolution:

From issue resolution:

Fixed in 4.1.3
