
What is my IP/port for Cataloging?

- **Article Type:** Q&A
 - **Product:** Voyager
 - **Product Version:** 7.2.3
-

Question

A third-party product needs the IP and port for my Cataloging client. What is it?

Answer

1. Go to `C:\Voyager\voyager.ini` on your PC.
 2. IP and port for Cataloging client are values listed in the `[Cataloging]` stanza
