

Are certain receipt printers recommended for use with Voyager?

- **Product:** Voyager
 - **Product Version:** 8.2.0
-

Question

Is there a list of receipt printers that are compatible with or are recommended for use with Voyager?

Answer

Voyager will work with any receipt printer; Ex Libris does not recommend any particular brand or type.

Additional Information

Voyager Support suggests posting to the [Voyager-L listserv](#) or searching its archives to see what members of the Voyager community are using.
