
Vertical scrollbar missing in IE viewer TOC (3.1.1)

- **Article Type:** General
 - **Product:** Rosetta
 - **Product Version:** 3.1
-

Description:

Vertical scrollbar missing in IE viewer TOC (3.1.1)

Resolution:

On all DEL servers, backup and replace

`/exlibris/dps/d4_1/system.dir/thirdparty/jboss/server/default/deploy/viewers.ear/dps-view-web.war/mets/rep_tree.jsp`
with the attached.

Permissions should be 664:

```
-rw-rw-r-- 1 dps exlibris 5086 Jun 19 14:28 rep_tree.jsp
```

Requires server restart.

Backup file should not be placed under `/exlibris/dps/d4_1/system.dir/thirdparty/jboss/server/default/deploy/` because this is where the core program resides.

Additional Information

scrolling, ie viewer
