[Old Answer:]

The above messages occur because of the following errors in ./pc\_b\_eng/p-cir-23.xml:

```
<checkbox>
<label>Override</label>
<source>explicit</source>
<cite>
<value>Y</value>
<display>Debts</display>

```

**\*\*In each case the “<!/hidden>” should be “</hidden>”. \*\***

There should be a fix created soon with these corrections to p-cir-23.xml.
